**Conclusion**

Funds are sufficient in the FY 2011 through FY 2014 budget and financial plan to implement the provisions of the proposed amendment.

**Background**

The proposed amendment to Bill 18-610, Procurement Practices Reform Amendment Act of 2010<sup>1</sup> would revise the definition of “Public Notice” to require the Office of Contracting and Procurement (OCP) to publish information regarding competitive sealed bids and competitive sealed proposals in a newspaper and in trade publications, where appropriate as determined by the Chief Procurement Officer.

**Financial Plan Impact**

Funds are sufficient in the FY 2011 through FY 2014 budget and financial plan to implement the provisions of the proposed amendment. The proposed amendment has no fiscal impact because OCP currently publishes notices in newspapers and trade publications when issuing competitive sealed bids and competitive sealed proposals.
